ChemDraw JS

結構搜尋模組上線

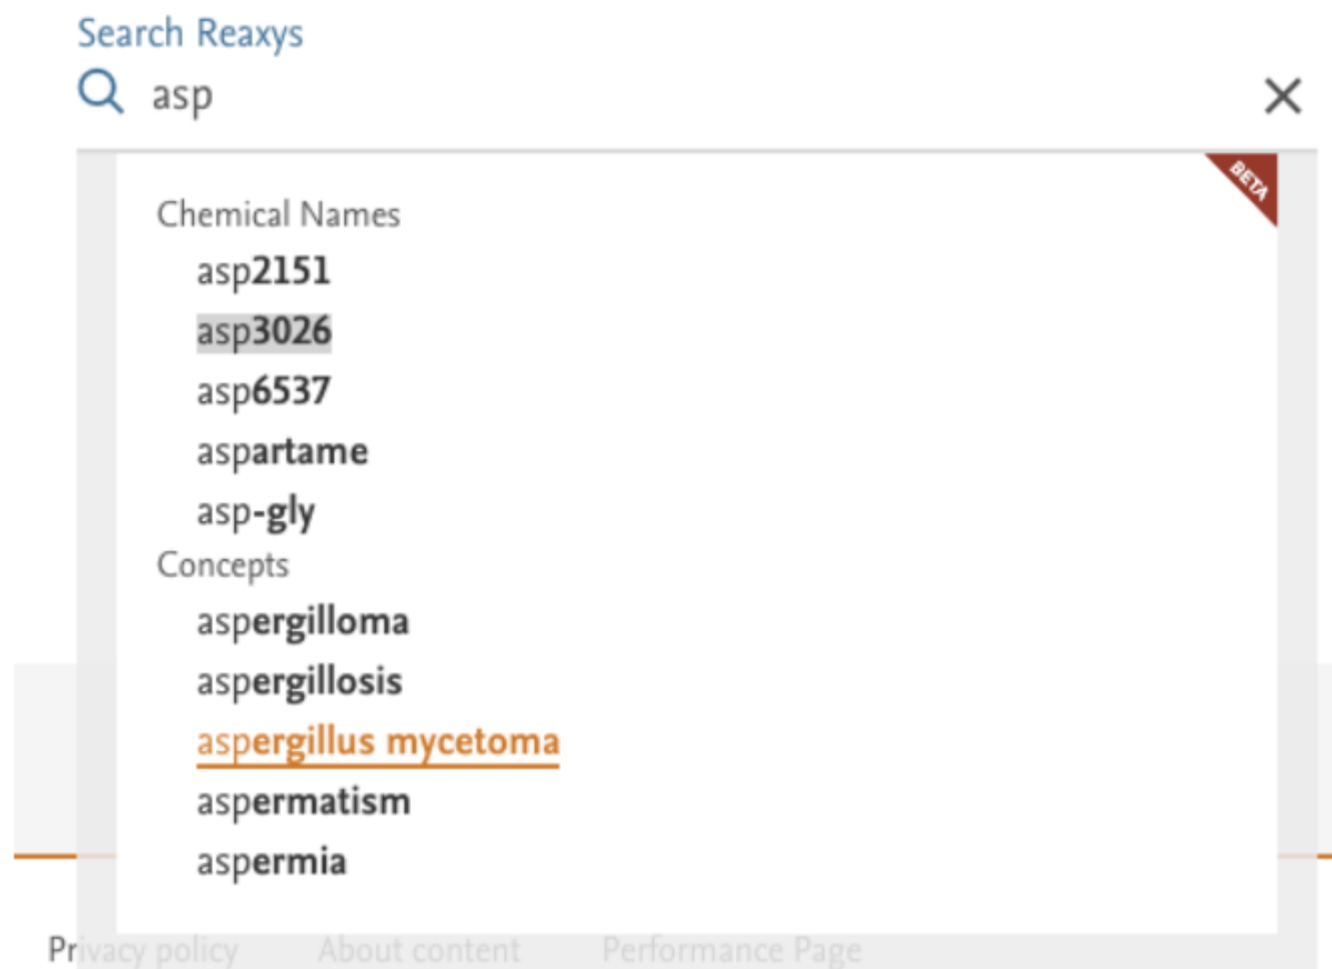

為了使搜尋更加貼近使用者平日的使用模式，Reaxys於本次更新中支援ChemDraw繪圖模組，讓使用者可以更快上手，用更直覺的方式進行結構搜索編輯

The screenshot displays the Reaxys web interface. At the top, the Reaxys logo is on the left, and navigation links for 'Quick search', 'Query builder', 'Results', 'Synthesis planner', and 'History' are in the center. On the right, there are 'Register >' and 'Sign in' buttons. The main area is the 'Structure editor', which has a tab for 'PerkinElmer's ChemDraw JS' (marked as 'NEW'). Below the tab is a toolbar with various chemical drawing tools. A search bar above the editor contains the text 'Create structure template from name >'. On the right side, there is a sidebar with the heading 'Search this structure as:' and several search options: 'As drawn' (selected), 'As substructure', 'Similar', 'Tautomers', 'Stereo', 'Additional ring closures', 'Related Markush', 'Salts', 'Mixtures', 'Isotopes', 'Charges', and 'Radicals'. At the bottom of the sidebar is a '+ More options' link. At the bottom of the main editor area, there are 'Clear' and 'Cancel' buttons, and a 'Transfer to query >' button. A 'Feedback' button is located at the bottom right of the interface.

Text搜尋建議模組

Text Suggestion方便搜尋

Text Suggestion目前廣為使用於各大資料庫中，Reaxys利用大數據分析，比對使用者搜尋內容與資料庫中56億筆數據，提供使用者搜尋建議，更加方便快速搜索

The screenshot shows the Reaxys search interface. At the top, there is a search bar with the text "Search Reaxys" and a magnifying glass icon. Below the search bar, the search term "asp" is entered. To the right of the search bar is a close button (X). Below the search bar, there is a dropdown menu with a "BETA" label in the top right corner. The dropdown menu is divided into two sections: "Chemical Names" and "Concepts". Under "Chemical Names", the following terms are listed: asp2151, asp3026 (highlighted with a grey background), asp6537, aspartame, and asp-gly. Under "Concepts", the following terms are listed: aspergilloma, aspergillosis, aspergillus mycetoma (highlighted with an orange underline), aspermatism, and aspermia. At the bottom of the dropdown menu, there are three links: "Privacy policy", "About content", and "Performance Page".

Note: As mentioned, our auto-suggest focuses on selected topics! It does not reflect all of the Reaxys content. Enter any keyword and Reaxys will still perform a search across all 56+ million documents.
